10. Administration Report--Mrs. Eadie-Gyori & Mrs. Dawn Normoyle

- Did end up with a budget cut of \$40,000 for this year due to the enrollment being down.
- for budget cuts we cut back on book, didn't hire another EA to replace an EA that left.
- hired a half time for one of the classes
- They were very conservative in the spring due to thinking of upcoming budget cuts
- Students continue to be doing so great with everything and all the changes
- Online parent teacher interviews have gone really well this year. Parents and teachers have both enjoyed having them online. There are still parents that like the face to face better. For the Parents not able to do online they were able to phone call interviews.
- When in person meetings can be held, they will look at still providing an online option
- Lots of hard work with Case conferences this month and IPPs.
- Been busy assessing where the kids are with reading, writing and math from being away last year.
- Been working hard on getting the google classrooms up and running in case we ever have to go back to home online work
- Things coming up:
 - Virtual assembly this week on the 29th
 - Halloween on the 30th. – virtual parade, parents to send an individual treat with their own child
 - Remembrance Day virtual ceremony
