

Inline Skating 2023

In-line skating lessons will be running September 25 - October 13. All students in kindergarten to grade six will be participating in this activity as part of the regular Phys. Ed. Program. We have once again hired **Alien Inline** to provide the equipment and instruction for our program. Please note - students will have three 55 - 60 minute lessons over the course of 2½ weeks. Your child will be provided with all the necessary safety equipment to participate in this physical education program. However, it is strongly recommended that those students who have a helmet bring his/her own.

- **Helmets must be worn** and will be provided for students who do not bring their own.
- Socks must be worn.

The cost is **\$21.00** per student and is due by Thursday, September 21st. Please pay the fee online in your PowerSchool Parent Portal (the same place that you pay for hot lunches). If you have any questions about this process, please contact the office.

A limited number of student scholarships are available to cover the fee. Should you wish to apply for one, it may be done by emailing steffie.woima@cesd73.ca.
