Re Enrollment and Consent Forms

If your child is a returning student to Steffie Woima, please ensure that you have filled out the **2025-2026 Re Enrollment and Consent Form** in your School Engage account.

This form provides consent for both technology use and walking field trips.

The Terry Fox Run is coming up on September 18th and your consent must be provided for your child to participate.

New students who need their demographic information changed may fill out a 2025-2026 Demographic Update form inside the School Engage account.

*School Engage is accessed through your Parent PowerSchool account.

Student Drop Off Information

If you would like to walk your child to their outside entrance doors, please park along the streets at the front or back of the school. We ask that parents say goodbye at their grade level entrance doors.

The Front loop:

- The FRONT loop is a bus loop only.

The front loop may be used for student drop off and pick up between the hours of 9:00 am and 2:30pm.

The Back loop:

- The loop in the BACK of the school is to be used as a drop off and pick up point only for before and after school. You must not leave your vehicle and please do not double park beside another vehicle. Student safety is important!

You must enter the back loop from the east entrance and exit from the west entrance.

The designated handicapped parking area in front of the school is not a public loading or unloading zone. Please heed the "Handicapped Parking", as cars can and will be ticketed if found in these areas without a handicap tag. It is difficult for some of our physically challenged students to get to other areas to be picked up.

As a courtesy to our neighbors we would like to request that you **do not** use the adjacent back alley west of the school as a pick up or drop off point. Also please note that the staff parking area is not to be used as a drop off /pick up zone.
